Laser Coaching

The 45-Minute Breakthrough Laser Strategy Session

My Laser Strategy Session will provide you with a clear and concise parenting strategy all mapped out for you in just 45 minutes. I'll share what I know to help you create a road map for success.

Results You Can Expect:

- A clear plan that you'll use over the next 6 to 12 months to redefine your family and the relationship you have with your children
- Overall concepts and strategies that best support you, your children, and your family
- Tactics you can use to think on your feet, trust your instincts, and get your parenting back on track
- Help in mapping out both your short-term and long-term goals as they apply to you and your children
- Skills to develop the resources necessary to support you, your children, and your family during this transitional stage
- Easy-to-use techniques that will engage your children in the changes you are making

This is the right program for you if...

- You want to start creating parenting strategies and a road map to guide you
- You want more peace, more joy and more satisfaction in your role as a parent
- You want someone who can help you move from the way you currently look at parenting to a radical new level

Testimonials

"This is the most informative, empowering class I have ever taken! I am excited about life again instead of fearing it!"

—Alyssa Rittendale

". . . before I left for your class, my two-year-old daughter, Emma asked, 'Are you going out to learn to be a better daddy? My only response was a simple, 'Yes. Thank You.' "

—Dan Ober

"It's all about 18 to 80. What skills will they have and how will they truly feel about who they are? I'll be taking this class every year; it is a must maintenance for optimal FAMILY health."

—Bridget Nardiello Smith,
Artist, teacher, mother of 2

"Our family is now so much better at communicating with each other that we have more time to have fun and appreciate each other."

—Rosario Arias

"Parenting on Track is the best thing to come our way. It was a complete wake up call. The program enabled us to eliminate nagging, reminding, lecturing, coaxing, and rewarding from our parenting methods. The program focused on building relationships with your children by connecting and appreciating them for who they are and who they will grow into.

—David Sauseville
